Organization of work of the Third Committee

A. GUIDELINES CONCERNING TIME-LIMITS OF STATEMENTS

1. In accordance with rule 106 of the rules of procedure of the General Assembly and paragraph 22 of decision 34/401 on the rationalization of the procedures and organization of the General Assembly, at the beginning of each session, the Chairman of the Third Committee should propose to the Committee the limitation of the time to be allowed to speakers.

2. Further to General Assembly resolutions 45/175 of 18 December 1990 and 46/140 of 17 December 1991, on the rationalization of the work of the Third Committee, statements made by delegations or on behalf of groups of delegations and by Secretariat officials, unless decided otherwise by the Committee at the beginning of the session, should not exceed 15 minutes. This time-limit will have to be applied with a degree of flexibility towards all speakers. With a view to saving time, all speakers are encouraged to exercise self-discipline, in particular delegations associated with group statements. For practical reasons, group statements are encouraged for the first day of the discussion of an item or sub-item. In this connection, it is important to emphasize the timely distribution of documentation in accordance with the rules of procedure of the General Assembly, in order to enable delegations to inscribe themselves on the list of speakers at an early stage.

At its 61st plenary meeting, on 16 November 1992, the General Assembly, on the recommendation of the Fourth Committee, 117/ adopted the following text:

"1. The General Assembly, having considered the chapter of the report of the Special Committee on the Situation with regard to the Implementation of the Declaration on the Granting of Independence to Colonial Countries and Peoples relating to an item on the agenda of the Special Committee entitled 'Military activities and arrangements by colonial Powers in Territories under their administration which might be impeding the implementation of the Declaration on the Granting of

Independence to Colonial Countries and Peoples' 118/ and recalling its resolution 1514 (XV) of 14 December 1960 and all other resolutions and decisions of the United Nations relating to military activities in colonial and Non-Self-Governing Territories, reaffirms its strong conviction that military bases and installations in the Territories concerned could constitute an obstacle to the exercise by the people of those Territories of their right to self-determination and reiterates its strong views that existing bases and installations, which are impeding the implementation of the Declaration, should be withdrawn and that no further entrenchment should be condoned.

"2. Aware of the presence of such bases and installations in some of those Territories, the General Assembly urges the administering Powers concerned to continue to take all necessary measures not to involve those Territories in any offensive acts or interference against other States, and to comply fully with the purposes and principles of the Charter of the United Nations.

"3. The General Assembly reiterates its condemnation of all those military activities and arrangements by colonial Powers in Territories under their administration that might run counter to the rights and interests of the colonial peoples concerned, especially their right to self-determination and independence. The Assembly once again calls upon the colonial Powers concerned to terminate such activities and to eliminate such military bases in compliance with the relevant resolutions of the Assembly.

"4. The General Assembly reiterates that the colonial Territories and areas adjacent thereto should not be used for nuclear testing, dumping of nuclear wastes or deployment of nuclear and other weapons of mass destruction.

"5. The General Assembly welcomes the important changes taking place in South Africa aimed at facilitating the commencement of substantive constitutional negotiations. The Assembly notes that, these developments notwithstanding, apartheid remains firmly entrenched and that as a result there is a continuing threat to the peace and security of the region.

"6. The General Assembly notes with grave concern revelations of covert funding and collusion by the South African regime with certain political organizations and reports of the involvement of its security forces in perpetrating acts of violence.

118/ A/47/23 (Part III), chap. VI.

"7. The General Assembly condemns the continued military, nuclear and intelligence collaboration between South Africa and certain countries, which constitutes a violation of the military embargo imposed against South Africa by the Security Council in its resolution 418 (1977) of 4 November 1977, and which poses a threat to international peace and security. The Assembly urges the Council to consider, as a matter of urgency, the report of the Security Council Committee established under its resolution 421 (1977) of 9 December 1977 119/ and to adopt further measures to widen the scope of Council resolution 418 (1977) in order to make it more effective and comprehensive. The Assembly calls for an immediate end to all forms of such collaboration. The Assembly further calls for the scrupulous observance of resolution 558 (1984) of 13 December 1984, in which the Council enjoined Member States to refrain from importing armaments from South Africa.

"8. The General Assembly considers that the acquisition of nuclear-weapon capability by the South African regime, with its infamous record of violence and aggression, constitutes a further effort on its part to terrorize and intimidate independent States in the region into submission. The Assembly condemns the continuing support to the South African regime in the military and other fields. In this context, the Assembly expresses its concern at the grave consequences for international peace and security of the collaboration between the apartheid system in South Africa and certain Western Powers and other countries in the military and nuclear fields. It calls upon the States concerned to end all such collaboration and, in particular, to halt the supply to the apartheid system of equipment, technology, materials and training enabling the regime to increase its capability to manufacture nuclear weapons.

"9. The General Assembly strongly condemns the continuing collaboration of certain countries with the racist regime in the military and nuclear fields and expresses its conviction that such collaboration is in contravention of the arms embargo imposed against South Africa under Security Council resolution 418 (1977) and undermines international solidarity against the apartheid regime. The Assembly thus calls for the termination forthwith of all such collaboration.

"10. The General Assembly is particularly mindful in that regard of the Declaration on South Africa, adopted by the Assembly of Heads of State and Government of the Organization of African Unity at its twenty-seventh ordinary session, held at Abuja, Nigeria, from 3 to

"11. The General Assembly urges all Governments, the specialized agencies and other intergovernmental organizations to provide increased material assistance to the thousands of refugees who have been forced by the oppressive policies of the apartheid regime in South Africa to flee into the neighbouring States and for the purpose of resettlement of those who are returning.

"12. The General Assembly deplores the continued alienation of land in colonial Territories, particularly in the small island Territories of the Pacific and Caribbean regions, for military installations. The large-scale utilization of the local resources for this purpose could adversely affect the economic development of the Territories concerned.

"13. The General Assembly requests the Secretary-General to continue, through all means at his disposal, to inform world public opinion of the facts concerning the military activities and arrangements in colonial Territories which are impeding the implementation of the Declaration on the Granting of Independence to Colonial Countries and Peoples, contained in Assembly resolution 1514 (XV).

"14. The General Assembly requests the Special Committee on the Situation with regard to the Implementation of the Declaration on the Granting of Independence to Colonial Countries and Peoples to continue to examine this question and to report thereon to the Assembly at its forty-eighth session."

47/411. Question of Gibraltar

121/ A/46/726-S/23265, annex.

122/ A/46/708, annex.

123/ A/47/648, para. 25.

"The General Assembly, recalling its decision 46/420 of 11 December 1991 and recalling at the same time that the statement agreed to by the Governments of Spain and the United Kingdom of Great Britain and Northern Ireland at Brussels on 27 November 1984 124/ stipulates, inter alia, the following:

> 'The establishment of a negotiating process aimed at overcoming all the differences between them over Gibraltar and at promoting cooperation on a mutually beneficial basis on economic, cultural, touristic, aviation, military and environmental matters. Both sides accept that the issues of sovereignty will be discussed in that process. The British Government will fully maintain its commitment to honour the wishes of the people of Gibraltar as set out in the preamble of the 1969 Constitution',

takes note of the fact that, as part of this process, the Ministers for Foreign Affairs have held annual meetings alternately in each capital, and urges both Governments to continue their negotiations with the object of reaching a definitive solution to the problem of Gibraltar in the light of relevant resolutions of the General Assembly and in the spirit of the Charter of the United Nations."

47/412. Question of Pitcairn

At its 72nd plenary meeting, on 25 November 1992, the General Assembly, on the recommendation of the Fourth Committee, 123/ adopted the following text as representing the consensus of the members of the Assembly:

"The General Assembly, having examined the situation in Pitcairn, reaffirms the inalienable right of the people of Pitcairn to self-determination in conformity with the Declaration on the Granting of Independence to Colonial Countries and Peoples, which fully applies to the Territory. The Assembly further reaffirms the responsibility of the administering Power to promote the economic and social development of the Territory. The Assembly urges the administering Power to continue to respect the very individual lifestyle that the people of the Territory have chosen and to preserve, promote and protect it. The Assembly requests the Special Committee to continue to examine the question of Pitcairn at its next session and to report thereon to the Assembly at its forty-eighth session."

124/ A/39/732, annex.

47/413. Question of St. Helena

At its 72nd plenary meeting, on 25 November 1992, the General Assembly, on the recommendation of the Fourth Committee, 125/ adopted the following text:

"1. The General Assembly, having examined the question of St. Helena, reaffirms the inalienable right of the people of St. Helena to self-determination and independence in conformity with the Declaration on the Granting of Independence to Colonial Countries and Peoples, contained in Assembly resolution 1514 (XV) of 14 December 1960. The Assembly urges the administering Power, in consultation with the Legislative Council and other representatives of the people of St. Helena, to continue to take all necessary steps to ensure the speedy implementation of the Declaration in respect of the Territory and, in that connection, reaffirms the importance of promoting an awareness among the people of St. Helena of the possibilities open to them in the exercise of their right to self-determination.

"2. The Assembly reaffirms the responsibility of the administering Power to promote the economic and social development of the Territory and calls upon the administering Power to continue, in cooperation with the territorial Government, to strengthen the economy, to encourage local initiative and enterprise and to increase its assistance to diversification programmes with the aim of improving the general welfare of the community, including the employment situation of the Territory.

"3. The Assembly urges the administering Power, in cooperation with the territorial Government, to continue to take effective measures to safeguard and guarantee the inalienable right of the people of St. Helena to own and dispose of the natural resources of the Territory, including marine resources, and to establish and maintain control over the future development of those resources.

"4. The Assembly reaffirms that continued development assistance from the administering Power, together with any assistance that the international community might be able to provide, constitutes an important means of developing the economic potential of the Territory and of enhancing the capacity of its people to realize fully the goals set forth in the relevant provisions of the Charter of the United Nations. The Assembly, in that connection, welcomes the assistance rendered by the United Nations Development Programme and invites other organizations of the United Nations system to assist in the development of the Territory.

125/ A/47/648, para. 26.

"5. The continued presence of military facilities in the Territory prompts the Assembly, on the basis of previous United Nations resolutions and decisions concerning military bases and installations in colonial and Non-Self-Governing Territories, to urge the administering Power to take measures to avoid the involvement of the Territory in offensive acts or interference against neighbouring States.

"6. The Assembly considers that the possibility of dispatching a United Nations visiting mission to St. Helena at an appropriate time should be kept under review, and requests the Special Committee to continue to examine the question of St. Helena at its next session, and to report thereon to the Assembly at its forty-eighth session."
